# PRESIDENTIAL ADDRESS

WELCOME ADDRESS DELIVERED BY CHARLEAN ROTIMALUKO, PRESIDENT - ST. CHARLES' GRAMMAR SCHOOL, OSOGBO AT THE 2022 BIENNIAL CONVENTION OF THE ASSOCIATION HELD ON JUNE 4, 2022 AT BASHORUN ROTIMI OBEISUN HALL, SCOBAA LUMNI CENTRE, ST. CHARLES' GRAMMAR SCHOOL PREMISES, OSOGBO.

His Excellency, The Governor of our lovely State, Osun, Alhaji Adegboyega Oyetola, all the officials of the State Government here present, my Lords - Spiritual and Temporal, Members of SCOBA Central Executive Council, (CEC), The Chairman, SCOBA Board of Trustees and Board of Governors, St. Charles' Grammar School, Osogbo, The Principal, St. Charles' Grammar School Osogbo and her Team, Members of the Press, Distinguished Members of SCOBA, Ladies and gentlemen. It is with deep sense of humility and appreciation that I, on behalf of SCOBA welcome you to this great event - the 2022 Biennial Convention of our great Association, SCOBA! as is very well-known, is the Old Students body of the graduates of St. Charles' Grammar, Osogbo. Its Biennial Convention is the most important date in the Association's calendar as it is the platform used by the Old Students Association in accordance with the Association's Constitutional provisions mandating Members to convene in brotherly fellowship to review the activities and progress report of the Association every two years of the immediate past Convention.

This Biennial Convention of our great Association in particular is unique in a number of ways as first of all, the last Biennial Convention took place a little over four years ago instead of two years courtesy the 2019/2020 COVID-19 Pandemic which constrained movement of persons across local and international boundaries and therefore frustrated its holding in years 2020 and 2021 just as it did to much of the rest of the world in the period.

This year's Biennial Convention is therefore unlike no other one an opportunity for Thanksgiving given the grace of life generally received by the Association and her members worldwide during a most devastating pandemic. We thank God for life; hence the addition of deferred celebration of the 60th Anniversary of the founding of our great Alma Mater, St. Charles' Grammar which incidentally fell due in 2020 smack at the rising peak of the said COVID-19 pandemic.

In late 2019, by a Special Resolution of an Extraordinary General Meeting of our Association held in this same hall, the Association's Biennial Convention date was moved from February to the Saturday immediately succeeding June 3 - St. Charles' Grammar School Osogbo Founder's Day. The strategic logic of the move was to create closer emotional rallying point of convergence between the School and SCOBA with members coming back home here to support the school and give something back during joint celebration. This Convention is also unique in the sense that is the first Biennial Convention to combine the Founder's Day with the BIENNIAL CONVENTION celebration.

It has been a pleasing experience watching several Charleans display so much excitement as they contribute towards this noble cause and reunion which I here, with loads of humility and pride gladly welcome you to in the hope that it will mark a wonderful experience for the guests and a great opportunity for members to pull together in bringing out the best from within us as we smoothly take very important decisions on how to move our Association and Alma Mater, St. Charles' "Back To The Top" Programme to great heights.

Distinguished Charleans, today's event marks the 6th Day of a week-long activities. The major highlights of today's event would be the election of new Officers to run the Association for the next two (2) years, amendments of our Constitution and a discourse aimed at charting a new path for our Association. Fellow Charleans, it is indeed to this epoch making occasion, that I gladly welcome you all with pleasure and pride for the honour of your presence and contributions.

Thank you very much and God bless.

Long live Nigeria; Long Live Osun State; Long live St. Charles'; Long live SCOBA!

**Rotimi Aluko**  
**PRESIDENT**  
**SCOBA**

## Vision
